Connecting Communities

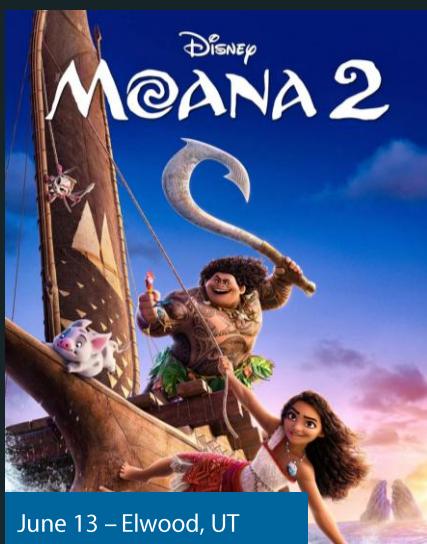

At CentraCom, we strive to be more than just your internet service provider. We are part of your community. In 2025, we have launched a special initiative to celebrate and strengthen our connection with the communities we proudly serve.

With our Connecting Communities initiative, we plan on hosting free BBQ events, Movies in the Park, and Free Wi-Fi in select locations. We will also be a part of local celebrations like Strawberry Days, Lehi Round-Up, and Steel Days.

We look forward to seeing you at these events!

Happy Father's Day!

Sunday, June 15th is Father's Day.

We would like to take the opportunity to recognize and thank all fathers for the positive influence they have on their children and families.

We hope you have a wonderful Father's Day and enjoy your day!
