Free Wi-Fi Summer Continues!

Free Wi-Fi Summer is here!

Our Free Wi-Fi Summer event will run all the way through the summer until September 14th. During that time, you will be able to access Free Wi-Fi at the following locations: Manti City Park, Manti Aquatic Center, Sanpete County Fairgrounds (car show area), Sterling Town Park, Ephraim Ball Park, and Ephraim Canyon View Park (the one with the splash pad)!

To use the Free Wi-Fi, go to your Wi-Fi Settings, look for the network named FREE Wi-Fi, and connect to it. Once you have connected and accepted the terms and conditions of use, you should be able to use the internet as normal.

Free Wi-Fi Summer is made possible by some incredible local sponsors including: Country Village Motel, Dirk's Farmhouse Restaurant, Correnti's Event & Floral, Custom Electrical, 95.7 The Boss, Gunnison Valley Hospital, Main Auto & Truck Supply, CO Building Systems, Jorgensen Chevrolet, Zions Bank, Mountain America, and many others!

New Channels!

Create and Charge! Join our Lineup.

If you weren't already aware, we have made some changes to our Channel Lineup, resulting from the announcement by BYU-TV that they will no longer be airing their BYU-International and KBYU Channels. They have made the decision to consolidate all their programming onto the BYU-TV Channel.

To fill those spots, we have added the Create and Charge! channels to our lineup!

Create

Found on Channel 8, Create focuses on How-To, DIY, Cooking, and other lifestyle-oriented instructional programming 24 hours a day.

Charge!

This network features action and adventure-based programming sourced primarily from the MGM television and film library. Tune in to Channel 11 to watch Charge!

Both channels are included in our Simply TV, Basic, and Expanded packages. Neither of them is available in HD nor on our Watch TV Everywhere service currently.

Enjoy!
