New Office Hours

We have made a small change to our Manti office hours. Effective immediately, our Manti office will be open from 8am to 5pm.

We will still have a service technician on duty if you need assistance between the hours of 5 and 6pm. Call our office and choose the tech support option and you will be transferred to the on-duty tech's cell phone.

We also have a service tech working on Saturdays. If you need assistance on Saturday, please call the office and leave a message. Our tech will check messages throughout the day and contact you as soon as possible.

FiberGuard

Pause the Internet

Have you ever wanted to shut the internet down for a while so that your kids will listen to you again?

Now you can with **FiberGuard** from MTCC!

FiberGuard lets you manage screen time, filter content, track browsing history, and even pause the internet on specific devices!

Call 435-835-2929 for details!

Movies in the Park!

Movies in the Park will return in July! We hope to see everyone out there having fun and enjoying the shows!

Free Wi-Fi Summer!

Free Wi-Fi Summer is back!

That's right! Now through Labor Day, you can enjoy Free Wi-Fi at the following locations:

Manti City Park

Manti Aquatics Center

NEW Manti City Baseball Complex

Rat Fink© Reunion (during the event)

Pageant Food Court (during the event)

Sanpete County Fairgrounds

Sterling Town Park

Ephraim Canyon View Park

Ephraim Baseball Complex

To connect to the Free Wi-Fi service on most phones and tablets go to Settings, then Wi-Fi, and look for the Free WiFi signal. Click on it to connect and you will be taken to our sponsor page. Once you agree to the Terms and Conditions, you should be up and running!

Free Wi-Fi Summer is made possible by some amazing local sponsors. Be sure to visit them and shop local!

TechLink Managed Wi-Fi

Do you struggle with technology? Not sure what a router is or why you need it, let alone how to set it up?

Have no fear – Techlink Managed Wi-Fi from MTCC is here!

When you sign up for TechLink, we will provide a wi-fi router and install it in your house. Plus, with Techlink Managed Wi-Fi we can recover passwords, monitor data speeds, check signal strength, and troubleshoot remotely from our office!

If that's not enough, Techlink Managed Wi-Fi also includes FiberGuard Essentials which allows you to manage screen time, filter content, and track browsing history!

Call for details! 435-835-2929

ConnectXT

Stay connected.

ConnectTxt is a great free text messaging program that allows us to stay in contact with our customers.

Through **ConnectTxt**, we let you know about special promos, events and contests, network outages, news, programming changes and much more.

ConnectTxt is completely free* and voluntary, and we typically send 1-2 text messages per month.

To sign up, simply text **joinmtcc** to **28748** on your cell phone.

Join today!

*Standard text rates apply.

My Services

Did you know that you can find local information right on your TV screen?

If you are an MTCC TV Subscriber, you have access to a local events calendar, weekly school lunch menus, and school event calendars on your TV!

Click on the Menu button of your remote and choose the My Services category. Once you click OK, you will see all sorts of local information from MTCC.

Plus, get a weekly weather forecast by clicking on the Menu button and choosing Weather.

Just another great added value service from MTCC!

WebGuide

We've all been there.

You're away from home when the panic hits – you forgot to record your wife's favorite show!

Normally this would mean a very uncomfortable night on the couch and a lot of evil looks from your wife.

But you can avoid all those "remember when you forgot to" conversations by using our **WebGuide** service.

WebGuide allows you to set recordings remotely – from anywhere you have internet access!

Now you can be her hero instead of a zero!

Pharos Smart Home

How Smart is your Home?

These days everyone seems to be talking about how smart their houses are. What exactly does that mean? How can a house be "smart"?

A smart home is a house that is connected to the internet and can be controlled remotely through an app or website.

With a **Pharos Smart Home**, you can control the thermostat remotely, turn lights on and off from the comfort of your bed, lock the front door from your cell phone, or send an emergency text message to neighbors, friends, and family with the touch of a button on an emergency alert pendant!

The possibilities are endless with **Pharos Smart Home** products!

For more info visit www.manti.com/smart-home.

GO SYMMETRICAL

Upload Faster.

Popular apps like Facebook, YouTube, Skype, Dropbox, Google Drive, and many others, have changed the way people use the internet.

Whether it is for posting pictures and videos to social media sites, video calls and conferencing, online gaming, remote home monitoring, or backing up information to the cloud, people are uploading a lot more these days and recognize the need for faster upload speeds.

With our **Symmetrical Internet**, we've got you covered. For only \$10 per month, you can now go symmetrical and upload as fast as you download!
