Double Referral Days are here!

It's March and the Madness has arrived at MTCC, which brings an amazing opportunity for you to get a huge savings on your TV and Internet bill!

From March 1st through April 5th, when someone you refer signs up for our FiberFast Internet or TV service, you will receive a \$40 credit on your bill!

That's twice our normal referral credit!!!

All you have to do is make sure the person you refer gives us your name when they sign up for services and we will credit your account \$40! It's that simple! Don't miss out – start referring now!

Channel Changes...

Qubo and IonPlus

It has been announced that both of these channels will cease operations effective March 1, 2021. We do not know yet what channels will replace them, but we will announce it on our Facebook page when we do!

WGN America

WGN America is rebranding to become NewsNation as of March 1st and will expand its primetime news programming.

TV Rates Going Up

Every year, network providers increase their per-subscriber rates by a substantial amount, which in turn increases our operating costs and forces us to increase the prices of our TV packages.

After reviewing our network contracts, the decision has been made to increase our rates by **\$10 per month**. This increase will affect our **Basic, Expanded** and **Total Choice** packages effective March 1st.

We understand that these rate increases may cause some of our existing TV subscribers to consider other options.

Streaming options such as Disney+, Netflix, Hulu, and others are becoming more and more popular.

If you are considering switching to one or more of these streaming options, we highly recommend increasing your internet speed to **50 Mbps or higher** to ensure the best possible streaming experience.

Please call our office with any questions you may have.

Working for you,
to keep costs in check.

Warner Brothers Movies on HBOMax

Warner Brothers has announced that most of their 2021 movies will be released in theaters and on the **HBOMax** streaming app at the same time.

This means that our HBO subscribers will have access to these new movies at no extra charge on the **HBOMax** app available through our **Watch TV Everywhere** service!

Movies tentatively included:

Feb 26 – Tom & Jerry	Sep 3 – Reminiscence
Mar 18 – Zac Snyder's Justice League	Sep 24 – The Many Saints of Newark
Mar 31 – Godzilla vs. Kong	Oct 1 – Dune
Apr 16 – Mortal Kombat	Nov 19 – King Richard
Jun 4 – The Conjuring 3	Dec 22 – The Matrix 4
Jun 18 – In the Heights	TBD 2021 – Cry Macho
Jul 16 – Space Jam: A New Legacy	TBD 2021 – Malignant
Aug 6 – The Suicide Squad	TBD 2021 – Those Who Wish Me Dead

These movies will be available for 30 days after their release date before they are temporarily removed from the HBO Max app.

So, grab a bucket of movie theater popcorn, snacks, and drinks – and curl up on your couch to watch these great movies!

To subscribe to **HBO**, please call us at 435-835-2929.
