Happy Thanksgiving!

We want to take the opportunity to express how grateful we are for the blessings we have here at Manti Telephone and Manti Telecommunications. We are thankful to be able to provide some great products and technology that makes it easier for our customers to conduct their business. We are thankful for the opportunity we have to connect people's lives with the services we offer. We are thankful for our amazing employees who give their all each and every day to make sure we provide the best customer experience possible. But most of all, we are incredibly thankful for you, our customers – without you, we wouldn't be here. Thanks for choosing us!

Happy Thanksgiving!

Be Thankful

Be thankful that you don't already have everything you desire...if you did, what would there be to look forward to?

Be thankful when you don't know something...for it gives you the opportunity to learn.

Be thankful for the difficult times...during those times you grow.

Be thankful for your limitations...they give you opportunities for improvement.

Be thankful for each new challenge...which will build your strength and character.

Be thankful for your mistakes...they will teach you valuable lessons.

Be thankful when you're tired and weary...because it means you've given your all.

It's easy to be thankful for the 'good' things...yet, a life of rich fulfillment comes to those who are thankful for the setbacks. Gratitude can turn a negative into a positive...find a way to be thankful for your troubles and they can become your blessings.

Veterans Day

Saturday, November 11th.

Veterans Day is an official United States public holiday, observed annually on November 11, that honors military veterans; that is, persons who served in the United States Armed Forces. It coincides with other holidays, including Armistice Day and Remembrance Day, celebrated in other countries that mark the anniversary of the end of World War I; major hostilities of World War I were formally ended at the 11th hour of the 11th day of the 11th month of 1918, when the Armistice with Germany went into effect. The United States previously observed Armistice Day. The U.S. holiday was renamed Veterans Day in 1954.

Veterans Day is not to be confused with Memorial Day, which honors those who *died* while in military service. It is also not to be confused with Armed Forces Day, which specifically honors those *currently serving* in the U.S. military. Veterans Day celebrates the service of all U.S. military veterans.

We at MTCC would like to sincerely thank all Veterans for your service to our country. Because of you, we have the great freedoms that we have today. Because of you, our country is strong. Because of you, we stand to honor our flag and our National Anthem...we stand to honor you.

Thank you for your service.

Help During the Holidays

We are here to help!

Our offices are closed November 23-24 for the Thanksgiving holiday, but that doesn't mean you can't get help if you need it! Posting on our Facebook page during the holidays is a great way to let us know you are having trouble. We try to respond to Facebook posts as quickly as possible.
