20 Mbps	10 Mbps	\$59.95
10 Mbps	5 Mbps	\$45.95

*All Business Internet packages include 1 Static IP Address.

Go Symmetrical.

Businesses need faster upload speeds. Whether it is for posting ads and videos to social media sites, making video conference calls, large file transfers or sharing, or remote monitoring, businesses need to do things faster.

With Symmetrical Internet from MTCC, your business can now upload as fast as it can download for a relatively small cost! Sign up for Symmetrical Internet today for only \$10 extra per month.

Terms and Conditions: Business Internet requires basic business telephone service and one year contract. Early termination fee of \$125 may apply. Install prices may vary. Other fees and taxes may apply. All speeds are best effort and may vary depending upon location, customer equipment, website status, etc. All Business Internet plans include 1 Static IP Address if needed. Faster speeds available. Call for details.

MTCC offers secure, reliable **Fiber-to-the-Business** connections which allow us to provide your business with the fastest internet speeds available in Sanpete County.

All Business Internet packages offer fast download and upload speeds, with the option to **go Symmetrical**.
