## FAMILYUP

### The Easter Bunny is coming to town...is your Internet ready?

Easter means family reunions and get-togethers. That means a lot of extra devices using up your bandwidth making your internet slow down.

Give your Internet a boost this Easter! Our FamilyUp plans give you a temporary upgrade while your family is here, so everyone is happy!

**Call for details! 435-835-2929**

## March Madness

### Watch Every Game Live!

That's right! You can watch every game of the NCAA March Madness Tournament live on your TV, Phone, Tablets, or Laptops.

All you need is internet access and a **Watch TV Everywhere** account and you can catch all the action!

Watch TV Everywhere is **free** to our TV subscribers. Register at [www.watchtveverywhere.com](http://www.watchtveverywhere.com) today!

## TV Rate Increases

As networks continue to raise their per-subscriber rates, it has become necessary for us to raise our rates on our TV packages. We try to keep these rate increases as small as we can while still covering our costs. For information about why TV rate increases happen, we encourage you to visit [www.tvonmyside.com](http://www.tvonmyside.com).

The following changes to our TV packages took effect on March 1, 2019:

**Simply TV increased from \$32.95 to \$42.95.**

**Basic TV increased from \$75.95 to \$85.95.**

**Expanded TV increased from \$85.95 to \$95.95.**

**Total Choice increased from \$129.95 to \$139.95**

We understand that these increases may cause some of you to adjust your TV packages, and you are most welcome to do so. Please call our Customer Service Representatives at 435-835-3391 and they will be happy to go over your options with you.

Thank you for choosing us as your TV provider!

## FiberGuard

Kids staying up all night looking at the internet?

Get FiberGuard and turn the internet off on their devices during the night!

With FiberGuard from MTCC, you can filter internet content, track browsing history, and manage screen time – you can even pause the internet so your family will pay attention to you again!

Plus, with Mobile Protection you can manage their smart phones even when they're not at home! How cool is that!?

FiberGuard is easy to install, simple to use, and very budget friendly.

Visit [www.manti.com/internet/fiberguard](http://www.manti.com/internet/fiberguard) for more info.

## ConnectXT

Stay connected.

**ConnectTxt** is a great free text messaging program that allows us to stay in contact with our customers.

Through **ConnectTxt**, we let you know about special promos, events and contests, network outages, news, programming changes and much more.

**ConnectTxt** is completely free\* and voluntary, and we typically send 1-2 text messages per month.

To sign up, simply text **joinmtcc** to **28748** on your cell phone.

Join today!

\*Standard text rates apply.

## MTCC Tech Tip

Be sure to join us on Facebook Live for **MTCC Tech Tip**!

Scheduled for the 2nd Tuesday of every month, **MTCC Tech Tip** is a great way to learn about the technology we use today and what is coming in the future.

Learn about wi-fi routers, fiber-to-the-home, internet safety and security, High Definition TV, and a variety of other topics!

**MTCC Tech Tip** is hosted by Gary Hughes, our Tech Guy Extraordinaire!

## WebGuide

We've all been there.

You're away from home when the panic hits – you forgot to record your wife's favorite show!

Normally this would mean a very uncomfortable night on the couch and a lot of evil looks from your wife.

But you can avoid all those "remember when you forgot to" conversations by using our **WebGuide** service.

**WebGuide** allows you to set recordings remotely – from anywhere you have internet access!

Now you can be her hero instead of a zero!

## Pharos Smart Home

How Smart is your Home?

These days everyone seems to be talking about how smart their houses are. What exactly does that mean? How can a house be "smart"?

A smart home is a house that is connected to the internet and can be controlled remotely through an app or website.

With a **Pharos Smart Home**, you can control the thermostat remotely, turn lights on and off from the comfort of your bed, lock the front door from your cell phone, or send an emergency text message to neighbors, friends, and family with the touch of a button on an emergency alert pendant!

The possibilities are endless with **Pharos Smart Home** products!

For more info visit [www.manti.com/smart-home](http://www.manti.com/smart-home).

## GO SYMMETRICAL

*Upload Faster.*

Popular apps like Facebook, YouTube, Skype, Dropbox, Google Drive, and many others, have changed the way people use the internet.

Whether it is for posting pictures and videos to social media sites, video calls and conferencing, online gaming, remote home monitoring, or backing up information to the cloud, people are uploading a lot more these days and recognize the need for faster upload speeds.

With our **Symmetrical Internet**, we've got you covered. For only \$10 per month, you can now go symmetrical and upload as fast as you download!

**Go Symmetrical** today!
