## Merry Christmas & Happy New Year!

Another year has come and gone...time sure does fly when you're having fun. We had a lot of fun this year installing our new customers, visiting with our current customers, hosting our popular Movies-in-the-park events and so much more.

We are looking forward to another great year and we are thankful to have you all as our customers. We have some exciting things planned for 2020 and we hope you will continue to be a part of them.

So, from all us at Manti Telephone and Manti Telecommunications, we wish you all a very Merry Christmas and a Happy New Year!

See you in 2020!

## FAMILYUP

When your family comes to visit, does your internet seem to slow down?

All those extra devices can chew up your bandwidth in a hurry, making your internet seem sluggish. This Christmas give your internet a boost with one of our **FamilyUp** plans and make everyone happy!

For a small fee, **FamilyUp** plans temporarily increase your internet speed while your family is here and go back to normal when they leave. Now everyone will love coming to your house even more!

**FamilyUp** today!

Call 435-835-2929 for details.

## Toys for Tots

The mission of the U.S. Marine Corps Reserve Toys for Tots Program is to collect new, unwrapped toys during the months of October, November and December each year, and distribute those donated toys as Christmas gifts to needy children in the community in which the campaign is conducted.

At MTCC, we also believe that every child deserves a little Christmas, and we are proud to be a drop off location for the Toys for Tots program. If you would like to donate to this great cause, please bring a new, unwrapped toy to our office and place it in the donation box. Thank you!

Happy Holidays and Merry Christmas!

## Router 9-1-1

Need help with your Wi-Fi?

When you sign up for **TechLink**, we provide you with a quality Wi-Fi router, install it and help you set up a password. Plus, with Techlink Managed Wi-Fi we can recover passwords, monitor data speeds, check signal strength, and troubleshoot remotely from our office!

**Techlink Managed Wi-Fi** also includes FiberGuard Essentials allowing you to manage screen time, filter content, and track browsing history! We'll help you set it up to meet your family's needs.

## Do Not Call Registry

### You can control telephone calls from solicitors!

The National Do Not Call Registry, managed by the Federal Trade Commission (FTC), gives you an opportunity to limit the telemarketing calls you receive. After you place your residential telephone number on the Registry, most telemarketers are required to remove your number from their call lists and may not call you. However, you may still receive calls from political organizations, charities, telephone surveyors, or companies with which you have an existing business relationship.

You can register by calling toll-free, 1-888-382-1222 (TTY 1-866-290-4236), from the telephone number you wish to register. You may also go to [www.donotcall.gov](http://www.donotcall.gov) if you have an e-mail address. **Registration is free.**

You can read more about the national Do Not Call Registry at the FTC ([www.ftc.gov](http://www.ftc.gov)) or the Federal Communications Commission, Consumer Bureau ([www.fcc.gov/cgb/consumerfacts/tcpa.html](http://www.fcc.gov/cgb/consumerfacts/tcpa.html)).
