Know the Facts

TV Rates

In March, we will be raising the rates on our TV packages. This increased rate is the result of recent contract negotiations and renewals with our network providers.

Each year, network providers increase their per-subscriber rates by a substantial amount, increasing our operating costs.

We understand that these rate increases may cause some of our existing TV subscribers to consider other options.

Streaming options such as Disney+, Netflix, Hulu, and others are becoming more and more popular.

If you are considering switching to or adding one or more of these streaming options, **we recommend increasing your internet speed to 50 Mbps or higher** to ensure the best possible streaming experience.

Please call our office with any questions you may have.

Thank you!

Be a Movie Sponsor!

Movies-in-the-Park return in June!

We have had a lot of success the past couple years with our **Movies in the Park** events, averaging around 300 people per event. If you haven't been to one, we would like to invite you to come out this summer and enjoy a movie, treats, and entertainment on us!

If you're a business owner or manager, we would also like to invite you to become a **Movies in the Park** sponsor.

As a sponsor, the event is focused on you. Your business will be highlighted and talked about during the event and on social media before and after the event. Your business logo will be on flyers and banners displayed in multiple locations throughout the county during the entire summer.

Looking for a way to build relationships with your customers? **Movies in the Park** is an amazing opportunity to meet, greet, and interact with hundreds of potential and existing customers outside of your normal business day. Show your support and have fun with those in your community!

We have a limited number of dates available for sponsorship, so call today to secure your sponsorship!
