Tech Tip Tuesday

Be sure to join us on Facebook Live for **Tech Tip Tuesday**!

Scheduled for the 2nd Tuesday of every month, **Tech Tip Tuesday** is a great way to learn about the technology we use today and what is coming in the future.

Learn about wi-fi routers, fiber-to-the-home, internet safety and security, High Definition TV, and a variety of other topics!

Tech Tip Tuesday is hosted by Gary Hughes, our Tech Guy Extraordinaire!

SimplyTV

Remember when TV was simple?

You didn't have to remember any passwords or what show was on what app.

You didn't even need a smart TV! You simply turned the TV on and watched.

Make TV simple again and sign up for our **SimplyTV** package. With 31 channels for \$32.95 per month, **SimplyTV** is budget friendly and easy to use.

FiberGuard

Got screen zombies?

We can help you eliminate them!

With our new FiberGuard system, you can filter internet content, track browsing history, and manage screen time – you can even pause the internet so your family will pay attention to you again!

Plus, with Mobile Protection you can manage their smart phones even when they aren't at home! How cool is that!?

FiberGuard is easy to install, simple to use, and very budget friendly.

Visit www.manti.com/internet/fiberguard for more info.

Connect**XT**

Stay connected.

ConnectTxt is a great free text messaging program that allows us to stay in contact with our customers.

Through **ConnectTxt**, we let you know about special promos, events and contests, network outages, news, programming changes and much more.

ConnectTxt is completely free* and voluntary, and we typically send 1-2 text messages per month.

To sign up, simply text **joinmtcc** to **28748** on your cell phone.

*Standard text rates apply.

WebGuide

We've all been there.

You're away from home when the panic hits – you forgot to record your wife's favorite show!

Normally this would mean a very uncomfortable night on the couch and a lot of evil looks from your wife.

But you can avoid all those "remember when you forgot to" conversations by using our **WebGuide** service.

WebGuide allows you to set recordings remotely – from anywhere you have internet access.

You're welcome.

Call 435-835-3391 to sign up!

MHS Sports

Channel 3 is your home for local sports.

We are proud to stream both the MHS Boy's and Girl's Home Basketball games live on **Channel 3**.

Even better, you can watch those same live streams in crystal-clear High Definition on **Channel 800** if you're an HD subscriber!

Our goal for 2019 is to live stream more sports to **Channel 3** than we have in past years, to include Wrestling, Volleyball, Soccer, and others.

Watch your local sports on Channel 3!

Go Templars!

GO SYMMETRICAL

Upload Faster.

Popular apps like Facebook, YouTube, Skype, Dropbox, Google Drive, and many others, have changed the way people use the internet.

Whether it is for posting pictures and videos to social media sites, video calls and conferencing, online gaming, remote home monitoring, or backing up information to the cloud, people are uploading a lot more these days and recognize the need for faster upload speeds.

With our **Symmetrical Internet**, we've got you covered. For only \$10 per month, you can now go symmetrical and upload as fast as you download!

Go Symmetrical today!

Pharos Smart Home

How Smart is your Home?

These days everyone seems to be talking about how smart their houses are. What exactly does that mean? How can a house be "smart"?

A smart home is a house that is connected to the internet and can be controlled remotely through an app or website.

With a **Pharos Smart Home**, you can control the thermostat remotely, turn lights on and off from the comfort of your bed, lock the front door from your cell phone, or send an emergency text message to neighbors, friends, and family with the touch of a button on an emergency alert pendant!

The possibilities are endless with **Pharos Smart Home** products!

For more info visit www.manti.com/smart-home.
