Free Wi-Fi Coming to Rat Fink™!

Free Wi-Fi is once again coming to the 2016 Rat Fink™ Reunion!

Last year, MTCC launched Free Wi-Fi for the Rat Fink™ Reunion, both at the Manti City Park and at the Rat Fink™ Museum on 300 North in Manti. It was a smashing success as we had over 800 devices connect to and use the Free Wi-Fi last year.

This year, we are again providing Free Wi-Fi at both locations but we are adding a twist. Rat Fink™ brings a lot of people to Manti and Sanpete County each year, and we want to help drive some of that traffic into the local businesses here in Manti, Ephraim, and Sterling.

To accomplish this, we have made a few changes to our Free Wi-Fi program. First and foremost, the visitors will still have a free Wi-Fi option at both locations. However, the free trial will only last for 15 minutes at a time and will be at slower speeds. If someone wants all-day access and faster speeds, all they need to do is visit one of our local sponsors, buy something, and pick up an Upgrade Voucher with a code on it that will enable the all-day version of the Free Wi-Fi.

We would like to take this opportunity to welcome back all of the artists, car enthusiasts, and Rat Fink™ Fans that come to the Reunion each year and thank them for their continued support of our local businesses while they are here.

The plan with our Free Wi-Fi service is to offer it at Rat Fink™ as well as other local events including the Mormon Miracle Pageant. If you have a business and would like to become a sponsor for Rat Fink™ or other events, please contact us at 435-835-2929.

Pharos Smart Home

Is Home Security Important to you?

If it is, then we have great news for you! Pharos Smart Home is now available at MTCC!

What is Pharos Smart Home?

Pharos Smart Home is a home automation service that gives you total control of your house, even when you aren't there! Pharos Smart Home products include door and window sensors, cameras, motion detectors, thermostats, moisture sensors, alarm sirens, smoke detectors, door locks and more.

All of these devices can be set up to respond in different ways. You can monitor and control your home remotely, receive event-triggered alerts and emails, allow access to your home or business at your discretion, and much more.

If home security is important to you, let us show you how Pharos Smart Home is right for you. Come visit our Manti office and check out our interactive demo room today!

Breakaway Wireless

Unlimited Talk & Text now available at Breakaway Wireless!

At Breakaway Wireless, our goal is to give you the best cell phone service we can at competitive prices. We offer some of the most popular phones on the market such as the Samsung Galaxy G6, Motorola MotoE, and others. We also offer nationwide wide coverage through our partnerships with RINA and other carriers.

Starting at just \$45 per month, you can enjoy unlimited talk and text from Breakaway Wireless. If you haven't checked out Breakaway Wireless yet, we invite you to stop by and let us show you what we have to offer.

Symmetrical Internet

People have changed the way they are using the Internet. With the popularity of streaming video, online gaming, cloud storage and file sharing, people are uploading more than they ever have before. With traditional asymmetrical Internet, that meant that it took you longer to upload information than it did to download that same information.

We are proud to say that we are the **first and only Internet provider** in Sanpete County today to offer Symmetrical Internet to our residential customers! Now your upload speed can match that of your download speed at a fantastic price! For just \$10 more per month, you can make any of our Internet packages symmetrical!

Who would benefit from **Symmetrical Internet**? Chances are you would! If you use any of the following programs or apps you would benefit from going Symmetrical: Facebook, YouTube, Instagram, Vimeo, Skype, DropBox, Google Drive, Online Gaming, File Sharing programs, Cloud File Storage, Remote Printing Services, Smart Home or Home Security apps, and more!

With our **Symmetrical Internet** you would be able to upload pictures, videos, and files much faster than before, have less lag in your online gaming experience, and have smoother video calls with Skype! All for just \$10 more per month! If you haven't already signed up for Symmetrical Internet, call us today!

Have you gone Symmetrical yet?

Watch TV Everywhere!

Watch TV Everywhere is a great **FREE** service that we currently offer to our TV subscribers. It allows you to watch some of your favorite channels on your PC, Laptop, Tablets, and Smartphones and can be accessed anywhere you have an Internet connection! And best of all...it's **FREE!**

We currently offer **72 Channels** through Watch TV Everywhere including CNN, Fox News, ESPN, NFL, Pac-12, Syfy, USA, Starz, Encore and many more! With most of these networks, you can access live TV or view previous episodes that you may have missed.

To Register for Watch TV Everywhere, simply follow these steps.

1. Contact us at 435.835.3391 to get your account number.
2. Go to www.watchtveverywhere.com.
3. Choose MTCC in the Provider list.
4. Click on 'Register' at the top of the page.
5. Follow the on-screen prompts from there.

Once you have registered, you can also download the individual apps for each network you want to watch on your tablet and smartphone. This allows for quicker access to you favorite content. If you have any questions or need help registering, please let us know!

Watch TV Everywhere...It's FREE!

Fiber-to-the-Home

Everyone has heard of Google™ Fiber, right?

It's funny how people seem to get all star struck and googly-eyed (pun-intended) at the mention of their name. Their world revolves around Google™ Fiber with the hope that someday it will come to their town just so they can say "Yes, I have Google™ Fiber!"

What you may not know is that MTCC has been deploying and using the same **Fiber-to-the-Home** technology as Google™ since 2006! In fact, if you live in Manti, Ephraim, or Sterling and have services with us, chances are you are already on our **Fiber-to-the-Home** network!

Using the same technology and equipment as Google™ Fiber, we are able to provide a dedicated direct line from our office to your house, preventing the slow-down that you can get from the shared node type of system that some other companies use. With our **Fiber-to-the-Home** network, Manti Telecommunications can provide up to a 1 Gbps service to a customer's house or business. Now that's fast!

So the next time someone asks if you have Google™ Fiber...you can now proudly say "Nope, I get my Fiber from MTCC!"

Shark Week is Coming!

The 29th annual Shark Week, Discovery Channel's longest running and most anticipated summer event, makes a huge splash this summer with all-new compelling and jaw-dropping shark stories and shark technology. Shark Week is back with shark n' awe when it returns on Sunday, June 26th at 8/7c, with episodes available next day on Watch TV Everywhere.

To help celebrate the event, we at MTCC will be having some shark-themed fun as well! During Shark Week, we will be hiding toy sharks all over Manti, Ephraim, and Sterling with a small note attached to them. If you happen to find one of these sharks, don't panic...they are just toys! Simply follow the instructions on the shark to claim your prize!

Be sure to tune in for Shark Week!

Ephraim Clean-Up Continues

If you live in Ephraim, you may have noticed our crew out and about working on the telephone poles in the middle of the blocks. We are currently working on cleaning up all of the old telephone lines that are no longer being used or that have been replaced by our newer Fiber Optic lines.

The new Fiber lines give us the ability to bring more bandwidth to your home than the older copper lines, which allows us to offer faster internet speeds, high quality HDTV, crystal clear phone service and many more exciting services.

So if you happen to catch one of us in your yard, don't panic! We are just there to clean up the older, unnecessary lines and to make things look a little nicer!

TV On My Side

At MTCC we strive to give our customers the best possible experience for the best rates we can offer. What many people don't realize is that it is the TV networks themselves that are often the cause of rate increases. As a TV provider, the networks charge us a per-subscriber rate that we must pay in order to carry their channels. When these rates go up, our cost per channel goes up and we are forced to pass that on to our customers in many cases. To see how some of the negotiations with the networks are handled, you can visit tvonmyside.com. It is a very informative site that gives you information on how we fight to keep our rates as low as possible.

Happy Father's Day!

June 19th

Two women are usually credited with the establishment of Father's Day: Grace Golden Clayton and Sonora Smart Dodd. Both women were inspired by Anna Jarvis' work earlier to establish Mother's Day as a holiday. After many years of petitioning, Father's Day was finally made a permanent national holiday when President Nixon signed it into law in 1972.

We would like to take the opportunity to say "Thank you" to all the dads out there who take care of their kids and teach them how to grow up into good young men. We wouldn't be who we are without you!

Happy Father's Day from all of us at MTC and MTCC!

Want to be on TV?

Have you always wanted to be on TV?

We are looking for new content to show on Channel 3 and HD 800. If you have a TV show you would like to make and have shown on our local channels then let us know!

You can email us the details about the show to ch3productions@manti.com. We are interested in comedies, documentaries, instructional do-it-yourself shows, news programs and more! All shows would need to be family friendly with no violence or inappropriate subject matter.

The shows would need to be mostly produced and filmed by you, but if you would like help in making the show let us know and we might be able to work something out.

So if you are the creative sort and want to be on TV, let us know! We want to put you or your ideas on Channel 3!

Coming in July...

Here are some of the events we will be a part of in July...

4th of July – Independence Day

Look for our trucks and float in the Fourth of July parade in Manti.

July 24 – Pioneer Day

Look out Spring City! We're coming your way for the Pioneer Day Parade!
