Coronavirus Relief Update

Free Internet program tentatively ends May 31st.

It has been an interesting school year! We hope that our Coronavirus Relief efforts have been beneficial to those who needed assistance with internet service during this historic pandemic.

As this program was intended to help students gain online access to schooling, it will come to end with the end of the school year. Those who are currently receiving free internet under this program will need to decide if they want to keep the service or turn it off.

If you decide that you are no longer in need of the service, our service technicians will schedule a time to come pick up our equipment.

If you wish to continue using our internet service, please let our customer service representatives know and they can discuss the different packages and payment options available to you.

If you have any questions, please contact us at 435-835-2929. Thank you!

Honor Them

The month of May brings us three opportunities to honor and remember those who serve our country through military service.

May 8 - V-E Day

This day celebrates the formal acceptance of Nazi Germany's unconditional surrender by the Allied Forces of World War II. It is a day to remember the men and women who served our country during World War II.

May 16 - Armed Forces Day

A day to pay tribute to the men and women who are currently serving in the United States' armed forces.

May 25 – Memorial Day

Memorial Day commemorates the men and women who died while serving our country. These men and women made the ultimate sacrifice to provide us with the freedoms we hold sacred today. We owe them all a debt which we cannot repay.

**Thank you for your service
and sacrifice.**

Last Chance to be a Movie Sponsor!

Movies-in-the-Park return in June!

We have had a lot of success the past couple years with our **Movies in the Park** events, averaging around 300 people per event. If you haven't been to one, we would like to invite you to come out this summer and enjoy a movie, treats, and entertainment on us!

If you're a business owner or manager, we would also like to invite you to become a **Movies in the Park** sponsor.

As a sponsor, the event is focused on you. Your business will be highlighted and talked about during the event and on social media before and after the event. Your business logo will be on flyers and banners displayed in multiple locations throughout the county during the entire summer.

Looking for a way to build relationships with your customers? **Movies in the Park** is an amazing opportunity to meet, greet, and interact with hundreds of potential and existing customers outside of your normal business day. Show your support and have fun with those in your community!

We still have a couple of dates available for sponsorship, so call today to secure your sponsorship!
