## Toys for Tots

### Every Child Deserves a Little Christmas.

The mission of the U.S. Marine Corps Reserve Toys for Tots Program is to collect new, unwrapped toys during October, November and December each year, and distribute those toys as Christmas gifts to needy children in the community in which the campaign is conducted.

At MTCC, we also believe that every child deserves a little Christmas, and we are proud to be a drop off location for the Toys for Tots program. If you would like to donate to this great cause, please bring a new, unwrapped toy to our office and place it in the donation box. Thank you!

Happy Holidays and Merry Christmas!

## Happy Thanksgiving

### It's that time of year again...

Time to wake up early and watch the Macy's Thanksgiving Day Parade...which has become more of a Broadway show than a parade. Time to sink down into that favorite recliner that has been broken in just right over the years and watch football all day long (after the parade of course). Time for the delicious smell of turkey, stuffing, and ham cooking in the oven. Time to eat way too much and fall asleep on the living room couch. Time for Turkey Bowl in the park, leaves piled up in the yard, and a warm fire crackling in the fireplace. Time to be with family...whether you want to or not. But most of all it's time to give thanks for the blessing in our lives.

From all of us at MTCC, thank you and Happy Thanksgiving!

Thanksgiving is time to...

# Veterans Day

November 11<sup>th</sup>

During this season of giving thanks, we at MTCC would like to extend a well deserved thank you to all war veterans. Without the commitment and sacrifice of men and women like you, the United States of America would not be the great country it is today, and we would not have the freedoms which we all hold dear to our hearts. We owe you all a debt we cannot repay. Thank you for your service and patriotism.

- There are approximately 19.5 million veterans in the U.S.
- 2 million veterans are women.
- 5.5 million veterans served during the Persian Gulf War.
- 7 million veterans served during the Vietnam War.
- 2 million veterans served during the Korean War.
- Of 16 million veterans who served in World War II, approximately 558,000 are still alive.
