Thank You Veterans!

During this season of giving thanks, we at MTCC would like to extend our thanks to all war veterans. Without the commitment and sacrifice of men and women like you, the United States of America would not be the great country it is today, and we would not have the freedoms which we all hold dear to our hearts. We owe you all a debt we cannot repay.

Thank you for your service and patriotism.

“As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them.”

- John F. Kennedy

FAMILYUP

When your family comes to visit, does your internet seem to slow down?

All those extra devices can chew up your bandwidth in a hurry, making your internet seem sluggish. This Thanksgiving give your internet a boost with one of our **FamilyUp** plans and make everyone happy!

For a small fee, **FamilyUp** plans temporarily increase your internet speed while your family is here and go back to normal when they leave. Now everyone will love coming to your house even more!

FamilyUp today!

UTAP Program

The Utah Telephone Assistance Program provides a \$12.75 discount (\$9.25 federal plus \$3.50 state) on telephone and broadband services for eligible Utah customers. You may be eligible for UTAP if you have home landline service through Manti Telephone Company and you qualify either by income or by program.

To qualify by income, your gross household income must be at or below 135% of the federal poverty level.

To qualify by program, someone in your household must be receiving help from one of these programs: Medicaid, SNAP, Federal Public Housing Assistance, SSI, or Veteran and Survivors Pension benefits.

To Apply for lifeline assistance, go to www.checklifeline.org or pick up a paper application in our office and mail the completed application and required documentation to USAC, Lifeline Support Center, PO Box 7081, London, KY 40742.

Router 9-1-1

Need help with your Wi-Fi?

When you sign up for **TechLink**, we provide you with a quality Wi-Fi router, install it and help you set up a password. Plus, with Techlink Managed Wi-Fi we can recover passwords, monitor data speeds, check signal strength, and troubleshoot remotely from our office!

Techlink Managed Wi-Fi also includes FiberGuard Essentials allowing you to manage screen time, filter content, and track browsing history! We'll help you set it up to meet your family's needs.

Do Not Call Registry

You can control telephone calls from solicitors!

The National Do Not Call Registry, managed by the Federal Trade Commission (FTC), gives you an opportunity to limit the telemarketing calls you receive. After you place your residential telephone number on the Registry, most telemarketers are required to remove your number from their call lists and may not call you. However, you may still receive calls from political organizations, charities, telephone surveyors, or companies with which you have an existing business relationship.

You can register by calling toll-free, 1-888-382-1222 (TTY 1-866-290-4236), from the telephone number you wish to register. You may also go to www.donotcall.gov if you have an e-mail address. **Registration is free.**

You can read more about the national Do Not Call Registry at the FTC (www.ftc.gov) or the Federal Communications Commission, Consumer Bureau (www.fcc.gov/cgb/consumerfacts/tcpa.html).

Toys For Tots

The mission of the U.S. Marine Corps Reserve Toys for Tots Program is to collect new, unwrapped toys each year, and distribute them as Christmas gifts to needy children in the community in which the campaign is conducted.

At MTCC, we also believe that every child deserves a little Christmas, and we are proud to be a drop off location for the Toys for Tots program.

If you would like to donate to this great cause, please bring a new, unwrapped toy to our office and place it in the donation box. Thank you!

Happy Holidays and Merry Christmas!

Battery Back-up Notice

Copper-based phone service typically works during a power outage because the service provided its own power. Fiber-based services need backup power to keep operating. In the event of a power outage, your phone, internet, and television services will not work without a battery back-up on your line. Currently, there is a battery attached that offers up to eight hours of operation during a power outage (depending on the number of devices running).

There is **NO** 9-1-1 EMERGENCY SERVICE in the event of a power outage WITHOUT A BATTERY BACKUP. If you want up to twenty-four hours of operation during a power outage, you can purchase your own battery at local retailers or online.

If you have any questions about whether you have copper or fiber-based services, please call our office at 435-835-3391. Thank you for continued patronage.
